KHAIRUNNISA' BINTI KHAIRULAMRI

FRESH GRADUATE | DATA & RISK ANALYST

Contact : +60 12-246 2685 | **Location :** Kluang, Johor (Open to Relocation)
Email : khairunnisa.amri8@gmail.com
LinkedIn : Khairunnisa' Khairulamri **Project Portfolio :** Khairunnisa' Projects

PROFILE

Fresh graduate with a Bachelor of Information Technology (Hons.) and a minor in Finance. Experienced in risk management, data analysis, and dashboard development through an internship at PETRONAS. Skilled in Power BI, SQL, Python, data visualisation, and reporting, with an interest in data-driven business and risk analysis.

EDUCATION

UNIVERSITI TEKNOLOGI PETRONAS (UTP) **May 2023 - August 2026**
Bachelor of Information Technology (Hons.) | *CGPA: 3.39*

Relevant Coursework
Software Engineering, Database Management, Web Development, Data Analytics, Cybersecurity

INTERNSHIP EXPERIENCE

Risk Management Intern | PETRONAS, KUALA LUMPUR **May 2025 - December 2025**

- Developed a Performance Management System (PMS) dashboard for a Downstream client, integrating API data.
- Built a Power BI dashboard to analyse 200+ support tickets monthly.
- Conducted User Acceptance Testing (UAT) and gathered client requirements for system enhancements.
- Prepared internal communications and supported 2 Group Risk Management town halls.

PROJECTS

EcoUTP | Machine Learning-Based Environmental Impact Prediction
Tools: Flutter, Dart, Python, FastAPI, Firebase, YOLOv8, ResNet-18, XGBoost

- Developed a mobile app for UTP students to donate and reuse items.
- Implemented machine learning models for item classification and CO_2 impact prediction.
- Achieved an R^2 of 0.9653 using data from 14 Life Cycle Assessment (LCA) sources.

Enterprise Risk Monitoring – TNB
Tools: Python, SQL (SQLite), Power BI (DAX)

- Analysed 10 TNB reports covering FY2021–FY2025.
- Assessed 25 business risks and mapped 27 controls using a 5×5 risk matrix.
- Built a 6-table SQL database and 4-page Power BI dashboard to analyse risk exposure and control effectiveness.

Financial Analysis: IHH Healthcare vs KPJ Healthcare
Tools: Excel, PowerPoint, Finbox

- Compared three years of financial performance between two listed healthcare companies.
- Computed 12 financial ratios across three years.
- Recommended KPJ based on profitability and liquidity analysis.

SKILLS

Programming Language
HTML, PHP, JavaScript, Java, SQL, R, C++, Python — Advanced

Data Analytics
Power BI, RStudio — Advanced
Tableau, Pandas — Intermediate

Databases
MySQL, phpMyAdmin — Intermediate

Tools & Software
Microsoft Office (Excel, Word, PowerPoint), Figma, Trello, Eclipse — Advanced
Kaggle, Google Analytics, IntelliJ IDEA — Intermediate

Risk & Business
Risk Assessment, Risk Monitoring, Risk Reporting, Internal Controls, Operational Risk, IT Risk, Issue Tracking, Control Assessment, Stakeholder Coordination, User Acceptance Testing (UAT)

Soft Skills
Communication, Teamwork, Problem-Solving, Time Management, Adaptability, Creativity

LANGUAGE

Malay (Written and Spoken) — *Advanced*
English (Written and Spoken) — *Advanced*
Japanese (Written and Spoken) — *Basic*

CERTIFICATIONS

Investment Risk Management — **December 2024**
Google Data Analytics Professional Certification — **January 2025**

COMMUNITY SERVICES

Go Green Movement Club — **September 2023 - January 2025**
Member | Volunteer
- Actively participated in environmental volunteer programs, including tree planting, recycling campaigns, and promoting sustainable practices.

Soup Kitchen Programme — **May 2023 - November 2023**
Volunteer | Activities and Games Department of Youth of Strength and Happiness (YOSH)
- Assisted in organizing activities and games for orphanages, providing emotional support and creating a fun environment for children.
- Helped distribute food and essential supplies, ensuring the well-being of the children at the soup kitchen.

ACTIVITIES AND INVOLVEMENT

MPU4 Project - Community Engagement for Mangrove Planting **September 2024 - February 2025**
Secretariat

- Assisted in organizing and coordinating the mangrove planting initiative as part of the community engagement project.
- Handled administrative tasks, maintained project documentation, and communicated updates to participants and stakeholders.

Global Citizen Course – Cultural Programme Exchange **May 2024 - August 2024**
Participant

- Participated in a course aimed at fostering global awareness and cultural exchange.
- Coordinated and took part in activities that promoted cross-cultural understanding and collaboration between international students.
